Dear Southern Maryland Boat Club Sponsor,

This regatta season proved to be one for the books for our club. We set out to host not just one but two events this season at Historic Leonardtown Wharf and Piney Point Landing. Thanks to your generosity, whether it was time, materials, or funds, SMBC's Annual Summer Regatta and First Annual Piney Point Regatta allowed us to bring power boat history back to the waterways of Southern Maryland.

Our Summer Regatta in July was a time of joy as we welcomed new and old spectators back to the waterways of Southern Maryland. Friends, family and fans were able to enjoy a weekend of vintage race boat action back at historic Leonardtown Wharf.

We were lucky enough with the support of St. Mary's County Recreation and Parks and generous supporters like yourself, we were able to bring Vintage Race Boats back to Piney Point. The waterways in Piney Point have not heard the roar of vintage motors since the 1970s!

With your generous support we were able to welcome drivers from Illinois, Ohio, Florida, and Virginia to each of our events! Each driver gave our club overwhelming praise for hosting such wonderful events, which we could not do without our amazing sponsors!

The Southern Maryland Boat Club thanks you for your generosity and looks forward to your continuing partnership and making an even bigger rooster tail in vintage race boat history next year.

Sincerely,
Southern Maryland Boat Club

The Southern Maryland Boat Club is polling advertisers to see if there is interest in purchasing individual banners to display at the Club's events in 2023. This is not a commitment. The club is just gathering information for the future.

____ I would be interested in purchasing a banner in addition to advertising in the program.

____ I would be interested in purchasing a banner instead of advertising in the program.

____ I would not be interested in a banner.
